- (2) "Public agency" has the same meaning as in KRS 61.805.

### **KRS 45A.492 Legislative declarations.**

The General Assembly declares:

- (1) A public purpose of the Commonwealth is served by providing preference to Kentucky residents in contracts by public agencies; and
- (2) Providing preference to Kentucky residents equalizes the competition with other states that provide preference to their residents.

### **KRS 45A.494 Reciprocal preference to be given by public agencies to resident bidders -- List of states -- Administrative regulations.**

- (1) Prior to a contract being awarded to the lowest responsible and responsive bidder on a contract by a public agency, a resident bidder of the Commonwealth shall be given a preference against a nonresident bidder registered in any state that gives or requires a preference to bidders from that state. The preference shall be equal to the preference given or required by the state of the nonresident bidder.
- (2) A resident bidder is an individual, partnership, association, corporation, or other business entity that, on the date the contract is first advertised or announced as available for bidding:
  - (a) Is authorized to transact business in the Commonwealth; and
  - (b) Has for one (1) year prior to and through the date of the advertisement, filed Kentucky corporate income taxes, made payments to the Kentucky unemployment insurance fund established in KRS 341.490, and maintained a Kentucky workers' compensation policy in effect.

The cabinet shall also promulgate administrative regulations in accordance with KRS Chapter 13A establishing the procedure by which the preferences required by this section shall be given.
- (7) The preference for resident bidders shall not be given if the preference conflicts with federal law.
- (8) Any public agency soliciting or advertising for bids for contracts shall make KRS 45A.490 to 45A.494 part of the solicitation or advertisement for bids.

The reciprocal preference as described in KRS 45A.490-494 above shall be applied in accordance with 200 KAR 5:400.

## Method of Award

Best Value - Ranking Approach

**Jessamine County Fiscal Court** intends to award a Contract to the Vendor, whose offer, conforming to the Solicitation, is the most advantageous on the basis of "best value" for all products, services, and requirements contained herein.

An evaluation committee, or a designated individual, will evaluate the information provided by the Vendor in response to the established measurable criteria contained in the Solicitation.

### Measurable Criteria:

<b>Price</b>	<b>90 Points</b>
<b><u>Experience</u></b>	<b><u>10 Points</u></b>

**TOTAL POINTS            100 Points**

Each Vendor is responsible for submitting all relevant, factual and correct information with their offer to enable the evaluator(s) to afford each Vendor the maximum score based on the available data submitted by the Vendor. VENDOR SHALL ENTER UNIT PRICE AND TOTAL PRICE ON THE BID SHEET. If adequate space is not available, the Vendor must attach additional information that clearly cross-references the appropriate location in the solicitation (i.e. page number, paragraph, subject, etc.).

Vendors responding with the minimum Best Value requirements in this Solicitation shall not be credited with Best Value points. Vendors responding with greater than the minimum requirements shall receive Best Value points. Failure to provide adequate information will impact the evaluated points awarded to the Vendor.

### Price (90 points)

The bidder with the lowest Price receives the maximum score. The bidder with the next lowest Price receives points by dividing the lowest Price by the next lowest price and multiplying that percentage by the available points. For example, 95 points is allocated to the lowest Price criteria for this procurement, Bidder "A" bids \$3.00 as the lowest bidder and receives the maximum 95 points ( $\$3.00 / \$3.00 = 1.00 \times 95 = 95$ ). Assume Bidder "B" is the next lowest bidder at \$4.00, then "B" receives 71.3 points ( $\$3.00 / \$4.00 = .75 \times 95 = 71.25$ ).

### Experience- (10 points)

5 years experience is the minimum requirement for this criteria. Points are only given to bidders who exceed the 5 year requirement. The bidder with the greatest number of years experience (not to exceed 10 years for evaluation purposes) receives the maximum number of points. The bidder with the next largest number of years experience, receives points by dividing the next largest number of years experience by the largest number of years experience and multiplying that percentage by the available points. For example, 10 points is allocated to the largest number of years experience, over 5 years, for this procurement, Bidder "A" bids 10 years as the bidder with the largest number of years experience and receives the maximum of 10 points ( $10 / 10 = 1.00 \times 10 = 10$ ). Assume Vendor "B" is the bidder with the next largest number of years experience at 5 years, then "B" receives 5 points ( $5 / 10 = .50 \times 10 = 5$ ).

**Vendor shall enter number of year's experience: \_\_\_\_\_years**

Best Value scoring is subject to **Reciprocal preference for Kentucky resident bidders and Preferences for a Qualified Bidder or the Department of Corrections, Division of Prison Industries (KAR 200 5:410)**.
